

Hands on Art is an excellent way for children to build self-confidence through discovering and manipulating materials. We will provide exposure and inspiration to a wide range of high quality art materials, tools, techniques and processes. Hands on Art will include painting, sculpting, assemblage, printmaking, collage, sewing, papier-mâché, drawing, up cycled art, pottery, and more! We will aim to develop confidence, independence, imagination, and self-expression in each child while focusing on the creative process.

Hands on Art is \$60 monthly or \$400 for the entire year. We will meet on Monday 3 until 4:30 in the art room. If we miss due to inclement weather we will schedule a make up day.
